We welcome you to the new season of Softball/Teeball. Please make sure that you are aware of the following information.

The 11” Incredible ball will be used in both T-ball and Softball.

In Teeball games umpires will stand behind the catcher. In Softball games umpires may stand behind the catcher or behind the pitcher.

In all games each team will bat 9 players each innings. There will be no 3 out side away. The second innings will start with the 10th batsman in the batting order. Once all batsman have batted the 1st batsman may bat again.

**GAME TIMES**
All games will commence and be finished on the sound of the hooter.
Times will be 12:30pm – 1:50 pm.
At the end of the game the score will be judged on the even innings.

E.g. If the second team at bat has not completed its turn and has passed the first at bat score: Result – the innings will count.

If the second team at bat has not completed its turn and has failed to overtake the first at bat: Result – the score will revert to the previous innings

**FIRST AID**
Ice and a First Aid Kit will be in the shed.

It is advised that all coaches bring a basic first aid kit, ice, and a mobile phone.

A number of teachers at each venue have current first aid certificates. There will always be a teacher with a first aid certificate on one of the 4 diamonds backing onto the shed so if in trouble send a runner there for help.

**RESULTS**
A result slip should be filled out at the end of a game and placed in the result boxes provided. While the umpire should put in a result slip please put in a second one if you are not umpiring to be sure the result is recorded. (Results slips can be found on the Learning Place site) If you forget to put results in, please email the results to: twill276@eq.edu.au

Points: 3pts – win, 2pts – draw, 1pt – loss, 3pts - Bye, 0pts – forfeit or no result

**umpires**
The coach listed to umpire should put in a result slip and supply a playing kit for that game. (please remember that other teams may have up to 3 left handers who require right hand gloves)
SAFETY:
Please read the Risk Assessment and EPPR Documents for Softball as these also apply to Teeball. It is expected that you have read and have followed these procedures.

We encourage you to read all the information on the web site carefully, so the softball season runs smoothly. Good luck and we hope you have an enjoyable season.

Best Regards
The Softball Committee
